

January 2012

Dear Parents,

The PES PTO is excited about its annual Valentine's Day Carnation Sale!

This is a great opportunity to support your school and send a loving message to your child. We welcome you to send a flower or two to your children, teachers and staff. (Please note that we are not encouraging students to send flowers to each other, we ask that you use your judgment.)

Attached are message tags for you to complete, which will be attached to the carnations. Please cut the completed tags and place them in an envelope labeled "Flower Sale" along with the order form below & the appropriate amount of money. Please make checks payable to PES PTO. Each flower with a tag costs \$2, or you may send a bunch (3 flowers) with one tag to one person for \$5. Please return your child's order form, tags, and money to their teacher by Friday, February 3rd!

If you have any questions, please contact Sue Dolan at 264-7242.

Thank you for your support of the PTO!
